Addiction and Mental Health
Learning Events

Practice Evidence Collections

- ☀ The **Cochrane Collaboration** provides a systematic review of healthcare treatment practices and promotes the search for evidence in the form of clinical trials and other treatment studies. <http://summaries.cochrane.org/>
 - ☀ **Canadian Journal of Addiction** Free online access to the journal of the Canadian Society of Addiction Medicine. <http://www.csam-smca.org/canadian-journal-of-addiction/>
 - ☀ **Alberta Family Wellness Initiative** Provides resources for the application of science to addiction and mental health treatment issues. <http://www.albertafamilywellness.org/>
 - ☀ **Canadian Centre on Substance Abuse (CCSA)** The Knowledge Centre reflects important activities and initiatives related to gathering, generating and disseminating knowledge, and is intended to contribute to CCSA's national mandate to promote and increase awareness of matters relating to alcohol and drug abuse. <http://www.ccsa.ca/>
 - ☀ **Substance Abuse and Mental Health Services Administration (SAMHSA)** provides the Treatment Improvement Protocol (TIP) Series of best-practice guidelines for the treatment of substance abuse and numerous other resources. <http://www.samhsa.gov/kap>
 - ☀ **Knowledge Resource Service** The online library for Alberta Health Services staff. Access to journals, data bases, books, drug information, patient teaching information, and other professional resources. Includes an online, searchable, DSM-5 with related texts. <http://krs.libguides.com/mentalhealth>
 - ☀ **McMaster University** provides a set of reliable and current reviews evaluating the effectiveness of healthcare practices and health promotion. <http://www.healthevidence.org/>
 - ☀ **Alberta Addiction and Mental Health Research Partnership Program** Knowledge Notes are concise summaries of current research in a specific area. Each note is a maximum of three pages to allow readers to become familiar with a given topic without getting lost in the complexity of a typical academic paper. <http://www.albertahealthservices.ca/research/Page11217.aspx>
 - ☀ Published clinical guidelines from the **National Institute for Health and Clinical Excellence (NICE)** <http://www.nice.org.uk/guidance/index.jsp?action=byType&type=2&status=3>
 - ☀ A comprehensive collection of psychiatric rating scales and diagnostic aids from the **University of Adelaide** <http://libguides.adelaide.edu.au/content.php?pid=457647&sid=5139266>
 - ☀ **Bridging the Gap** is an e-newsletter from the Alberta Addiction and Mental Health Research Partnership Program. This e-newsletter was developed for addiction and mental health practitioners. It provides a brief summary of some of the latest addiction and mental health research and highlights their implications for practice. Archived issues of Bridging the Gap can be found here: <http://www.albertahealthservices.ca/research/Page11235.aspx>
 - ☀ The **Canadian Agency for Drugs and Technologies in Health (CADTH)** provides decision-makers with the evidence, analysis, advice, and recommendations they require to make informed decisions in health care. Funded by Canada's federal, provincial, and territorial governments, CADTH is an independent, not-for-profit agency that delivers timely, evidence-based information to health care leaders about the effectiveness and efficiency of health technologies. <https://www.cadth.ca/evidence-bundles/evidence-on-mental-health>
 - ☀ **General Practice Services Committee** is a partnership of the Government of BC and the Doctors of BC to provide tools and resources for child, youth and adult mental health staff. <http://www.gpscbc.ca/what-we-do/professional-development/psp/modules>
- SPRAM** **S**uicide **P**revention, **R**isk **A**ssessment and **M**anagement is a web-based, interactive e-Learning series designed to respond to the foundational learning needs of health practitioners. SPRAM consists of seven (7) sequential learning modules. The learner is introduced to four (4) distinct character profiles, each depicting a pathway of care within a unique practice setting (i.e., mental health inpatient, corrections etc.). <http://www.albertahealthservices.ca/info/page14579.aspx> SPRAM was nominated for the most outstanding continuing education activity in psychiatry in Canada award by the Council of Psychiatric Continuing Education (COPCE) and the Canadian Psychiatric Association (CPA).
