Practice Evidence Collections

☼ The Cochrane Collaboration provides a systematic review of healthcare treatment practices and promotes the search for evidence in the form of clinical trials and other treatment studies. http://summaries.cochrane.org/

☼ Alberta Family Wellness Initiative Provides resources for the application of science to addiction and mental health treatment issues. Includes a series of education modules with certification http://www.albertafamilywellness.org/

☼ Canadian Centre on Substance Abuse (CCSA) Online publications intended to contribute to CCSA's national mandate to promote and increase awareness of matters relating to alcohol and drug abuse. http://www.ccsa.ca/

☼ Knowledge Resource Service The online library for Alberta Health Services staff. Access to journals, data bases, books, drug information, patient teaching information, and other professional resources. Includes an online, searchable, DSM-5 with related texts. http://krs.libguides.com/mentalhealth

☼ McMaster University provides a set of reliable and current reviews evaluating the effectiveness of healthcare practices and health promotion. http://www.healthevvidence.org/

☼ Alberta Addiction and Mental Health Research Partnership Program Knowledge Notes are concise summaries of current research in a specific area. Each note is a maximum of three pages to allow readers to become familiar with a given topic without getting lost in the complexity of a typical academic paper. http://www.albertahealthservices.ca/research/Page11217.aspx

☼ Published clinical guidelines from the National Institute for Health and Clinical Excellence (NICE) http://www.nice.org.uk/guidance/index.jsp?action=byType&type=2&status=3

☼ A comprehensive collection of psychiatric rating scales and diagnostic aids from the University of Adelaide http://libguides.adelaide.edu.au/content.php?pid=457647&sid=5139266

☼ Bridging the Gap is an e-newsletter from the Alberta Addiction and Mental Health Research Partnership Program. This e-newsletter was developed for addiction and mental health practitioners. It provides a brief summary of some of the latest addiction and mental health research and highlights their implications for practice. Archived issues of Bridging the Gap can be found here: http://www.albertahealthservices.ca/research/Page11235.aspx

☼ The Canadian Agency for Drugs and Technologies in Health (CADTH) provides decision-makers with the evidence, analysis, advice, and recommendations they require to make informed decisions in health care. Funded by Canada's federal, provincial, and territorial governments, CADTH is an independent, not-for-profit agency that delivers timely, evidence-based information to health care leaders about the effectiveness and efficiency of health technologies. https://www.cadth.ca/evidence-bundles/evidence-on-mental-health

☼ General Practice Services Committee is a partnership of the Government of BC and the Doctors of BC to provide tools and resources for child, youth and adult mental health staff. http://www.gpcsbc.ca/what-we-do/professional-development/psp/modules
